October 2009

Dear Parents and Carers,

HAPPY PUZZLE COMPANY DAY!

I am writing to let you know about an exciting couple of days coming up at school. Many of the children will remember the Puzzle Company from last year; they came in for two days and carried out sessions with all the children as well as a family session in the evening of the first day. Everyone who took part had a fabulous time so we are delighted to welcome them back with a whole new set of challenges on the 10th and 11th November.

During the two days, all children in classes from reception through to year six will take part in the Puzzle Challenge Primary. During their session children will encounter a variety of fun, but challenging 3D hands-on-puzzle tasks that they have to complete in teams. All the challenges will be set appropriately for the age of the children and will I'm sure prove to be great fun.

These sessions will take place in the school hall and whilst we have been able to subsidise half of the cost we are looking for a contribution of £1.50 per child towards the costs. In addition to the class sessions we have also arranged for a fun family session which the PTA have agreed to fund. The family puzzle challenge will take place 6.30 – 8.00pm on Tuesday 10th November. This session is designed for children to solve problems with their parents, carers and other siblings giving challenges for the family to solve together and giving parents an interesting insight into how their children think and learn. This proved to be a great event last year and I'm sure that all the families that attended last year will be keen to come back again this year. The places are limited to 144 for this evening and will be allocated on a first come first served basis on return of the slip below. (Although we may limit family group size if it is very oversubscribed).

The Happy Puzzle Company will also be running a puzzle shop in the hall, this will run on both days from 3.20pm until 3.50pm – details of the shop and special offers are contained within the flyer printed on the reverse of this letter.
