Dear Mum, Dads & Carers,

In the event of severe weather it is our aim to make a decision as soon as possible in order to give you and the staff enough time to make arrangements or to come into school.

The decision was made amongst local heads that we would try to follow our High school in order to be consistent. Unfortunately Copleston closed today due to specific criteria that affected only themselves whereas the rest of our Primary schools in the area were not affected.

I apologise if this caused some confusion. Using our text managing system we were able to inform most of you that the school was open before 7am.

In the event of continued severe weather we aim to follow this policy but will text you as soon as possible, update the school website and inform the local radio stations and the County Council.

The decision to close or stay open is an extremely difficult one affecting the livelihood and safety of many in our community and I thank you for your support in this area.

Steve Wood
Head Teacher
