Dear Mums, Dads and Carers,

The new school logo is now being introduced to our school uniform; this is going to be phased in from February half term.

From February the sweatshirts and cardigans, book bags and despatch bags will be available with the new logo at the school office. By starting the sales of uniform in February it will ensure that the uniform will be available during the summer term 2011.

During this lead up period children can wear plain green cardigans and jumpers.

The on line services have been halted during this interim change, any items ordered on the online system will be held until the new logo is available. You will be able purchase uniform from School Trends; www.schooltrends.co.uk.

Please note that the school no longer purchases uniform from Your School Uniform.com

The old school uniform will be accepted throughout the school until there is a need to replace it.

Please note the PE kit will not be changed until the autumn term.

From September 2012 the school will expect that the majority of children will be wearing the new school logo on their uniforms.
