Dear Parents and Carers

Welcome to year six!

As we start our new school year we'd just like to give you some information regarding days in which equipment and homework will need to be in school.

Homework: this will be set on a Thursday to be collected in on Tuesday. Missing homework will need to be completed at Homework Club on Tuesday lunchtime. Homework will begin in the week after the Isle of Wight trip.

PE: this will be on a Wednesday. Indoor and outdoor kit will be required throughout the year.

Brass: All children in Year Six will learn a brass instrument. Our Brass tutor will be in on a Thursday. You will be sent home an agreement regarding the loan of the instrument, including the cost of a replacement should it get damaged through a lack of care. Once this has been signed and returned, the instrument may be taken home to practise, providing it is in school on each Thursday.

Thank you for ensuring that the children are wearing the correct uniform and footwear. If you are unaware of our requirements or need a new letter about our uniform, please come and see any of us.

We are looking forward to a great year together.

Yours Sincerely

Rebecca Abbott, Michelle Chapman and Jacqui Noon.
