

Dear Parents and Carers,

### School Money

Following feedback from parents that finding cash for school dinners and trips is sometimes inconvenient in this digital age, we have decided to make it easier for you. We will do this by providing the option to pay monies owing to the school electronically as well as via cheques and cash.

Whilst there is already an option to pay dinner money on-line, parents have fed-back to us that they would prefer a system where they can check the balance online as well as make payments.

We are pleased to inform you that as of **Monday 10<sup>th</sup> October**, any payments made to the school are able to be made electronically through [www.schoolmoney.co.uk](http://www.schoolmoney.co.uk). This way is both easy and secure as well as a much faster way to pay for trips, dinners and anything else through one page.

To start using the service, the school must have your current email address and mobile number. It is very important you provide your most up-to-date contact information otherwise you may have problems logging into [Schoolmoney](http://Schoolmoney) and making payments.

Please return the contact information slip below with your up-to-date details. We will inform you when you can start making online payments, but for more information on [Schoolmoney](http://Schoolmoney) please speak to the school office.

Many Thanks,

Michele Quinton
