

LIGHTS, CAMERA, ACTION! (SUMMER STYLE)

Non-Uniform Day Friday, 20th May 2016

As you may already know, the school council have been trying to raise money for our second bar of lighting in our hall, which costs around £880.00.

We have raised approximately half of the money and have organised a non-uniform day on the theme of 'Lights, Camera, Action' for **Friday 20th May** which we hope will help raise money to get nearer to our target.

You are invited to come to school dressed in your own clothes, preferable suited to our theme Lights, Camera, Action (with a summer twist) and to make a donation towards our fund!

Thank you
The School Council ☺
