

Takeaway Homework Menu

This is your homework menu for this half term.

You need to complete a starter, main and a dessert to make a whole meal. Hand it in whenever you like before 12th February.

If you have a large appetite, you might want to complete more than one of each course.

Extras:

- The sides (reading) should be completed **as often as possible**.
- We'd also like you to tell us about the extras you do out of school — clubs, lessons, visits and sports
- A salad bar is available in the classroom to support basic skills.

starters

If the answer is 50, what calculations can you do to reach this answer?

Find and name 5 things in your home that are living and 5 things that have never lived. Write a list.

Improve this sentence by adding punctuation, a wow adjective, an interesting verb and adverb.
the knight was in a battle

mains

Keep a diary of a day in your life. What did you do, what time did you do it and how long did it take

Write a review of a book/ film/ comic/cartoon/TV programme you have enjoyed recently.

Become an expert on icebergs / glaciers. Present your findings as either a poster/factfile/model/ leaflet.

Find a nonsense poem to learn by heart. You may want to include actions to help you remember.

Starting on 30 sing There were 30 green bottles standing on the wall. How many ways can you count back and end at 0? You could try 1's, 2's, 3's etc.

 Create your own homework 'main' - link it to this term's topic: Pole to Pole

sides

As often as possible, share a book with an adult (read to them and/ or have them read to you). Ideally, do this every day.

Tell us about your out of school activities - trips out, clubs, lessons and special events.

Why not visit our **salad bar** where you will find tasty times tables, succulent spelling

desserts

Think of three words you find hard to spell and try and see if you can make up a phrase to help you remember it.
e.g tickle a little kangaroo = talk

Find a cardboard food box, take it apart and flatten it (into a net) Label the face shapes/vertices and edges and any other interesting features.

Find and watch a clip on the internet about the Northern Lights. Find pictures of this phenomenon to share with the class.

Fancy a reading challenge? Try Ruth's competition in the Library!
