

Dear Parents/Carers

We are going to be looking at 'Toys' as our topic this half-term. We are going to be looking at what toys are made of, how they work, and how toys have changed since parents and grandparents were children.

To help with this, it would be great if your child could bring in a small toy (labelled with their name) by Monday. This toy would need to be in school for 4-5 weeks, so we have all talked about the kind of toy we will bring in, (not a precious bed time toy for example), and how we will all need to look after them.

Many thanks for your support

Sally-Ann Roberts

Dear Parents/Carers

We are going to be looking at 'Toys' as our topic this half-term. We are going to be looking at what toys are made of, how they work, and how toys have changed since parents and grandparents were children.
