

Clifford Road Primary School
Pupil Premium

Pupil Premium Grant expenditure: report for Parents and Governors 2012-13

Funding received £48,221 (80 children receiving free school meals)

The Pupil Premium is additional funding given to schools so that they can support their disadvantaged pupils and close the attainment gap between them and their peers. It is for schools to decide how the Pupil Premium is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility. If you would like to find out more about Pupil Premium please visit the Government's education website: www.education.gov.uk/schools/pupilsupport/premium.

The table details interventions and strategies used by the school to support pupil progress and it indicates the relative cost and impact of each.
